

THE EMPLOYEE ADVISORY COMMITTEE

The duty of the EAC is to act in an advisory capacity to the General Manager, serving as a communications link among employees, managers, and supervisors with the purpose of assisting VTA in enhancing employee ownership, improving the work place environment, and increasing morale.

The EAC shall function within the following parameters including, but not limited to: communications, improvements of workplace culture, identification of training and educational needs, diversity promotion, and selection of various recognition awards. Since the EAC makes and forwards recommendations to the General Manager or designee in an advisory capacity, no recommendations are binding on the General Manager or designee.

Members of the EAC are full-time VTA employees appointed by their respective Bargaining Unit. The EAC shall be composed of 12 members and their alternates, appointed as follows: Six (6) Division 265, Amalgamated Transit Union (ATU) representatives; Two (2) Local 101, American Federation of State County and Municipal Employees (AFSCME) representatives; Two (2) Local 521, Service Employees International Union (SEIU) representatives; One (1) Local 21, Transportation Authority Engineers and Architects' Association (TAEA) representative; and one (1) Non-represented member.
