4.3 VTA Protest Review

PURCHASING AND MATERIALS MANAGER

The Purchasing and Materials Manager shall review all materials submitted with the initial protest with legal staff and other VTA staff as needed. No additional materials will be accepted for consideration during the protest review unless specifically requested in writing by the Purchasing and Materials Manager. If additional material is requested, it must be submitted within five days of the request. The Purchasing and Materials Manager shall respond in writing to each substantive issue raised in the protest.

4.4 Final Decision

The decision of the Purchasing and Materials Manager shall be VTA's final decision in the matter. The decision of the Purchasing and Materials Manager exhausts the administrative remedies of the protester for purposes of appealing to the FTA as provided in paragraph 4.6 of this Procedure.

A protestor may file a request for reconsideration with the Purchasing and Materials Manager if information becomes available that was not previously known or could have been known by the protester, or the protester claims there has been an error of law or regulation. Requests for reconsideration will be granted only for the reasons stated above, and will not be allowed for the consideration of issues not previously raised as substantive.

4.6 Federal Procurements

4.6.1 Upon receipt of a protest on a solicitation for a FTA funded project, VTA shall notify the FTA Regional office and keep FTA informed of the status of the protest in compliance with FTA Circular 4220.1F, Chapter VII.

4.6.2 If the procurement is on an FTA funded project, the protester may file a protest with the FTA pursuant to the provisions of FTA Circular 4220.1F, Chapter VII, after the protester has exhausted all administrative remedies with VTA. An appeal to the FTA must be received by the cognizant FTA Regional or Headquarters Office within five working days of the date the protester has received actual or constructive notice of VTA's final decision.
